

INDEPENDENT SCHOOLS QUEENSLAND TEACHER DATABASE

Fulltime, Part-time, Casual/Relief and Supply Teaching

Independent Schools Queensland (ISQ) has, at present, 181 member independent schools. Each school is completely autonomous in its administration and operation. ISQ does not involve itself in the philosophy or management of member schools.

However, as a service to member schools, ISQ compiles a register of teachers seeking either full-time employment in independent schools, or casual/relief and supply teaching to replace members of staff involved in professional development activities or on leave.

It is anticipated that schools will contact ISQ for assistance with names and contact details when they are seeking teachers for full-time and part-time employment in their schools. In addition, Independent Schools Queensland will continue to regularly provide all member schools with a list of Casual/Relief and Supply Teachers. Schools with teaching vacancies will make direct contact with individual teachers as a need arises.

Only applicants with **current teacher registration** will be included on the **Independent Schools Queensland** database. The only attachment to the form should be a copy of your current Teacher Registration Certificate issued by the Queensland College of Teachers. No other paperwork is required. No correspondence regarding receipt of applications and available positions will be entered into by ISQ. All communications will be from schools to individual applicants regarding available positions and interview information. Registrations on the ISQ teacher database will remain active for **6 months** after which time teachers are required to contact ISQ to reactivate their registration on the database and update any teaching experience, or other details as required.

Independent Schools Queensland member schools include pre-school, primary, secondary, combined, ungraded and special schools. Member schools are located in Cairns, Charters Towers, Mount Isa, Normanton, Townsville, Mackay, Rockhampton, Bundaberg, Gladstone, Hervey Bay, Biloela and the Darling Downs region, in addition to all of South-East Queensland.
