## ASIA IN THE AUSTRALIAN CURRICULUM FORUM FOR SECONDARY SCHOOLS

### ATTENTION

- Deans/Directors of Teaching and Learning/Curriculum/Studies
- Heads of Humanities
- Teachers of English, History, The Arts, Geography and Studies of Religion

### CONCEPT

Participants will hear powerful arguments for why young Australians need to be Asia literate; have knowledge and understandings about our Asian neighbours and display authentic skills in intercultural understanding. Experienced teachers will showcase units of work that provide real examples of an Asian context or intercultural understanding.

Participants will be given the opportunity to apply for grant of \$2,000 to undertake a project to further this important work in their own schools. Please note that grants will only apply to projects that focus on the following countries: China, Indonesia, Japan and Korea. These will be the cross curriculum priority of Asia and Australian's engagement with Asia and general capability Intercultural Understanding from the Australian Curriculum.

### VENUE

Victoria Park Golf Club, Herston Road, Brisbane

### DATE

Wednesday 29 February 2012

### COSTS

Nil - funded through the Australian Government National Asian Languages and Studies in Schools Program (NALSSP). Schools from Central and Northern Queensland will receive \$500 subsidy to offset travel and accommodation costs. The forum and projects are also funded under NALSSP.
